Haverford Township School District Education Foundation

Twilight 5K Run & 1 Mile Kid Run

Saturday, April 24, 2010 @ 5 pm.

The Haverford Township School District Education Foundation is the result of a vision held by a group of local community leaders who appreciated the school district's excellent reputation and wished to enhance the school district's curriculum and extra-curricular activities with privately-funded enrichment programs. More than \$100,000 has been distributed under the Foundation's mini-grant program, for innovative projects designed by a student, teachers and involved parents and for our first major project, the TV studio at the high school. We invite you to join in our effort.

We dream big because our students and our neighbors deserve it.

With your help we can make those dreams come true!
