Haverford Township School District Education Foundation

Twilight 5K Run and Walk

Saturday April 25, 2009 5:00 p.m.

The Haverford Township School District Education Foundation is the result of a vision held by a group of local community leaders who appreciated the school district's excellent reputation and wished to enhance the school district's curriculum and extra-curricular activities with privately-funded enrichment programs. More than \$25,000 has been distributed under the Foundation's mini-grant program, for innovative projects designed by a student, teachers and involved parents. This year we begin our quest to raise money for bigger projects. We invite you to join in our effort.

We dream big because our students and our neighbors deserve it.

With your help we can make those dreams come true!
